How to Draw a Hedgehog
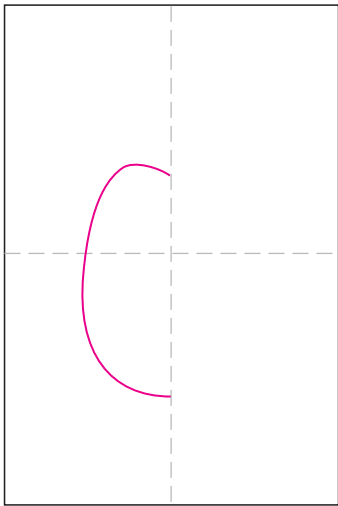

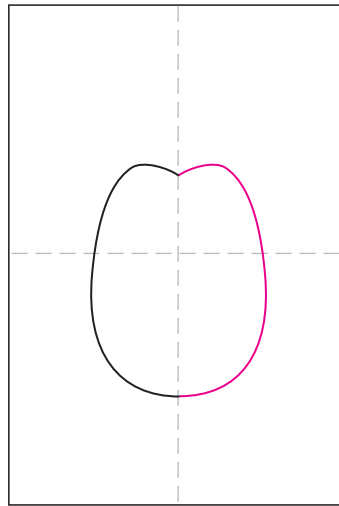

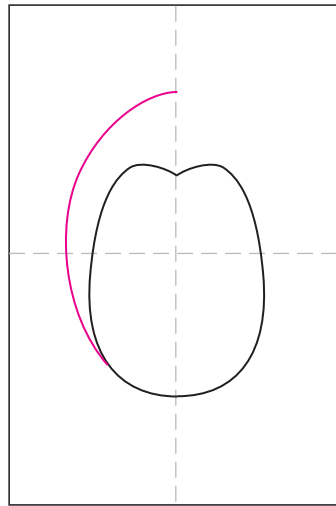

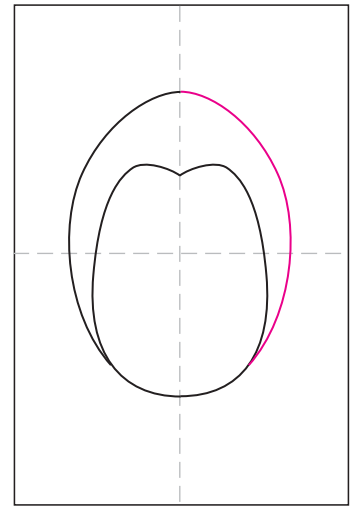

1. Draw the left inside body shape.
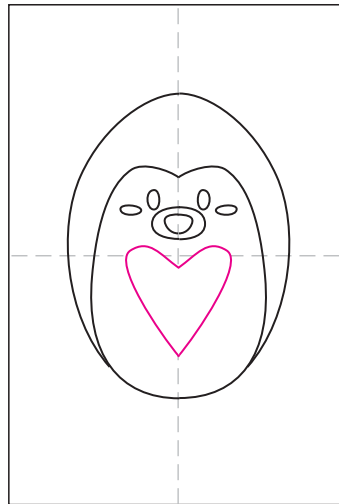

2. Draw a matching right side.
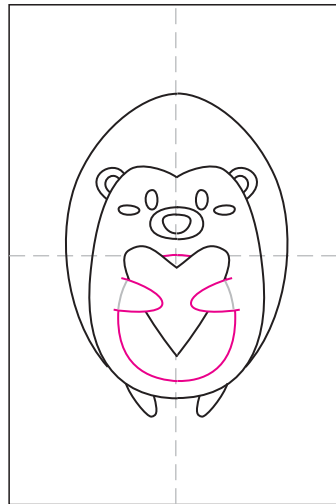

3. Draw left outside body.
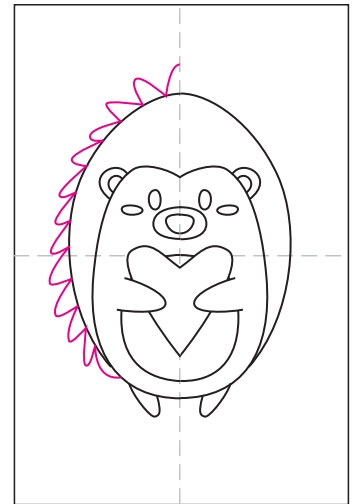

4. Draw the right outside body.
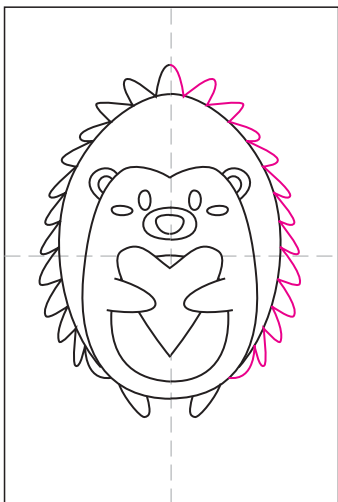

5. Draw the eyes, nose and cheeks.
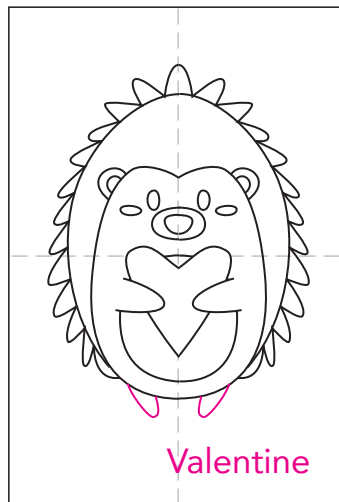

6. Draw a centered heart.

7. Draw the arms and belly around the heart. Erase lines inside the arms.

8. Draw the left side spikes.

9. Draw the right side spikes.

10. Add two feet. Write "Valentine" on the right.

Valentine

11. Finish with "Be my" on the left. This will help you center the type below the hedgehog.

Be my Valentine

12. Trace with a black marker and paint with watercolors.
