

Draw a Mini Me Valentine

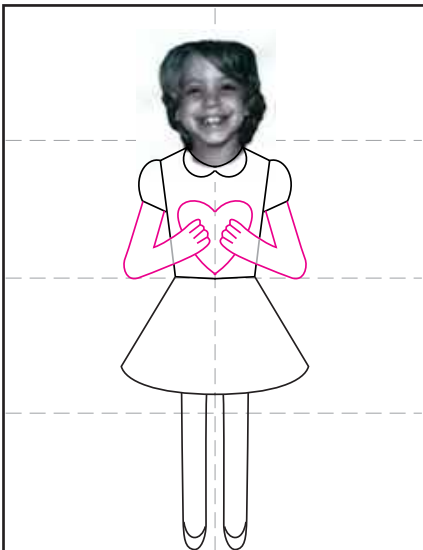

1. Fold paper to make guides. Glue a 2" tall photo of a head near the top.

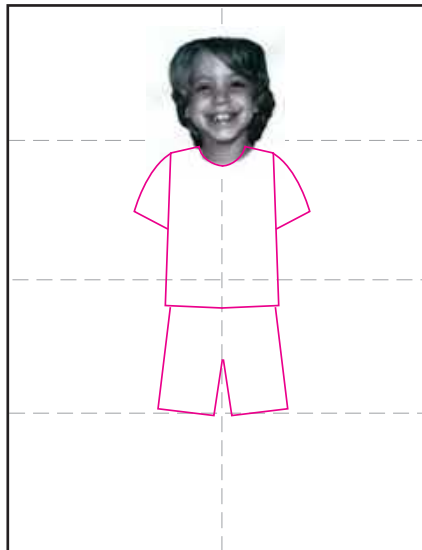

2. Draw the top part of the body. Make the waist land right on the fold line.

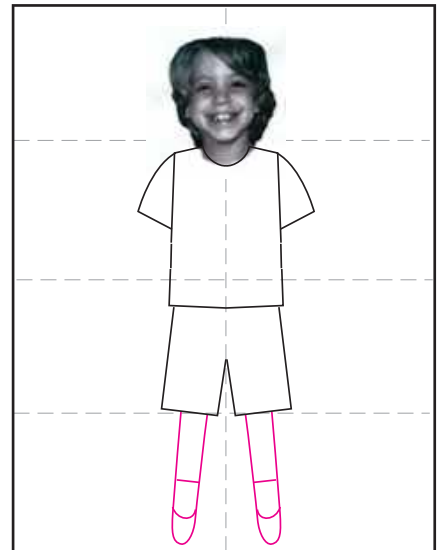

3. Draw the lower part of the body. The toes should nearly touch the bottom.

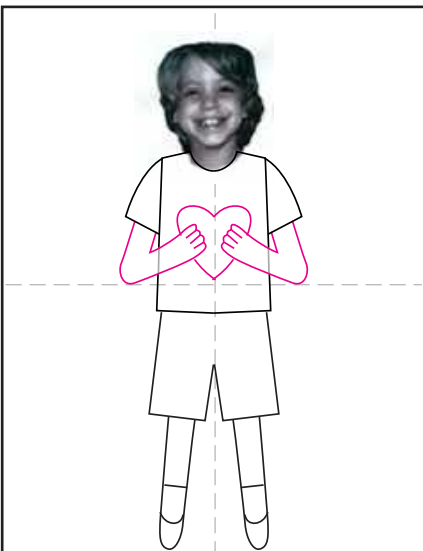

4. Add arms and a heart behind them. Erase the lines inside.

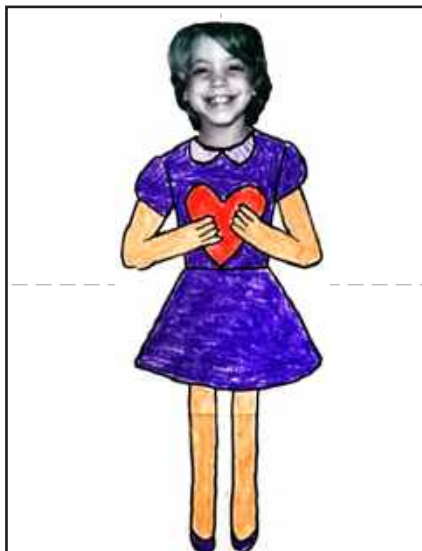

5. Another option for the clothes. Draw a shirt and shorts.

6. Add the legs below the shorts. To draw pants instead, make shorts longer.

7. Add arms and a heart behind them. Erase the lines inside.

8. Trace and color with a marker or crayons. Cut out carefully with scissors.

9. Fold to make sit on a shelf. Note: heavier paper works best!
