

# Draw Geometric Hearts Like Romero Britto

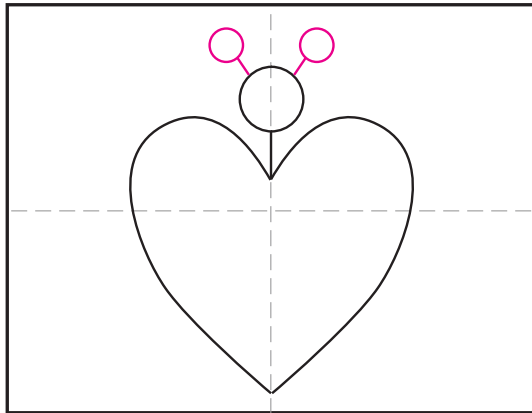

1. Draw the right side of the heart.

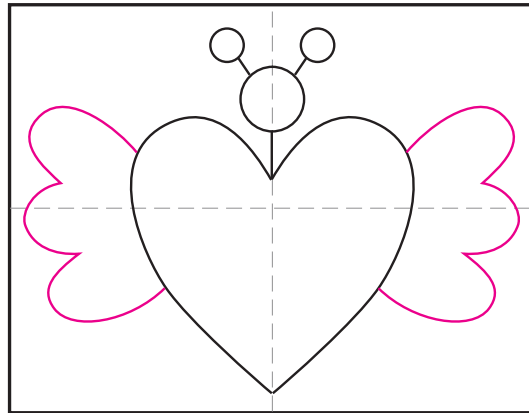

2. Add a matching left side.

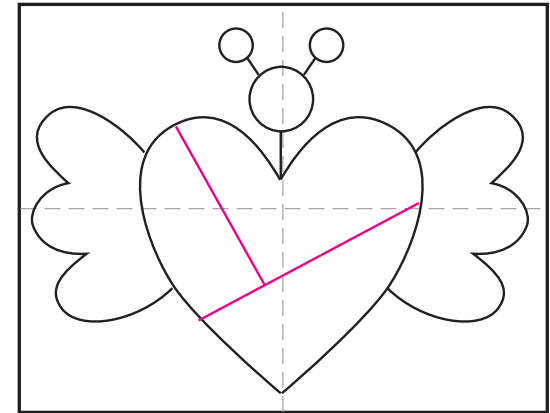

3. Draw a circle and line for the neck.

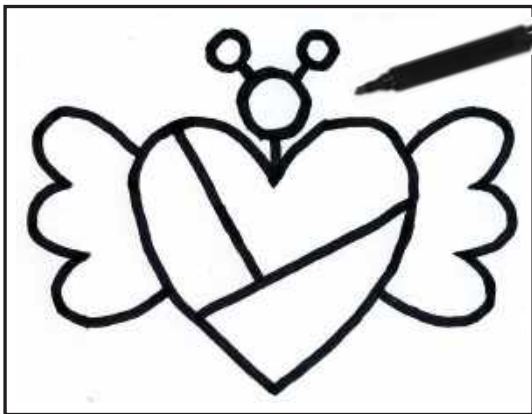

4. Add two circle antennae.

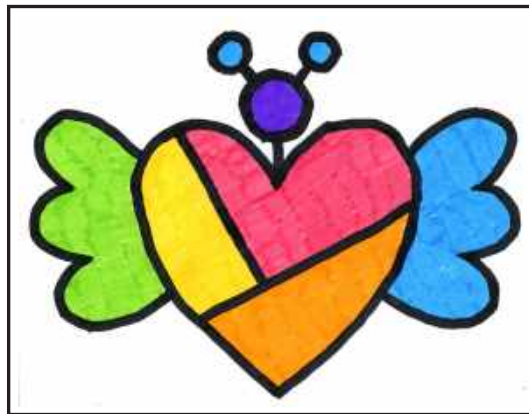

5. Draw two symmetrical wings.

6. Add two lines to divide the heart into sections.

7. Trace the lines with a thick black marker.

8. Fill each section with a color.

9. Add big patterns of circles, stripes and flowers.
