

Draw Ice Skates

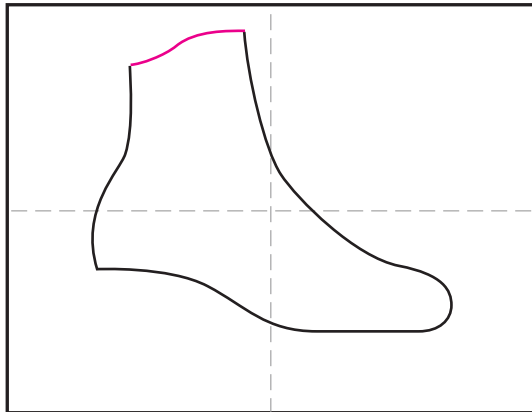

1. Start with the bottom edge of the shoe.

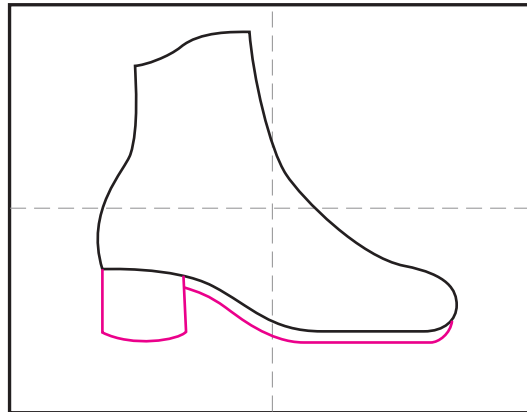

2. Continue with the toe and front of the shoe.

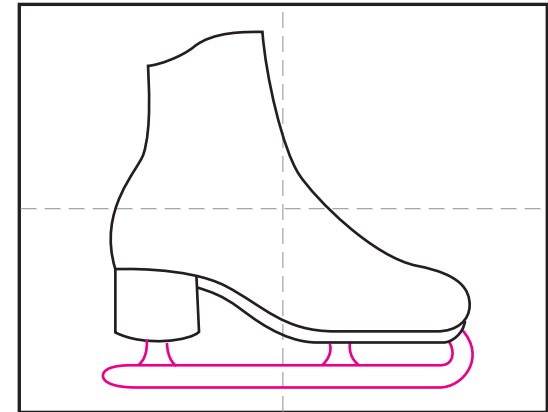

3. Add the line in the back.

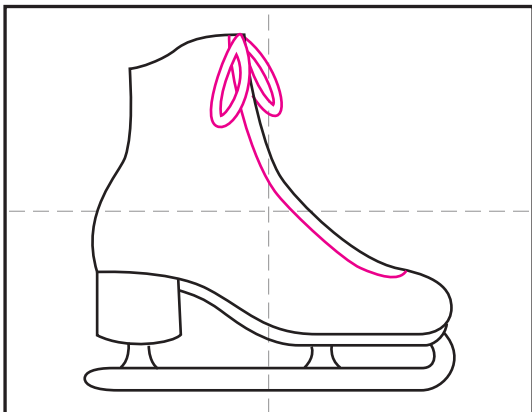

4. Connect together with a curve at the ankle.

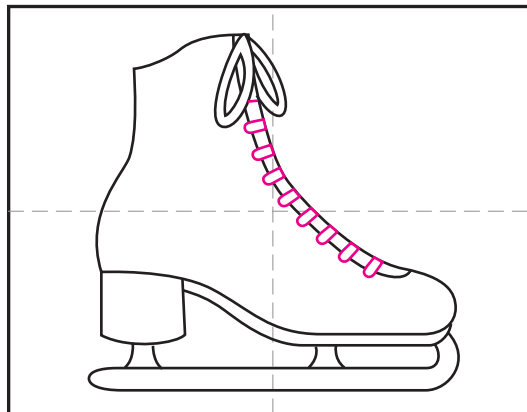

5. Add a heel and sole line.

6. Draw the skate shape below.

7. Add a front opening edge and loops of string.

8. Finish the front with lace lines.

9. Trace with a marker and color.
