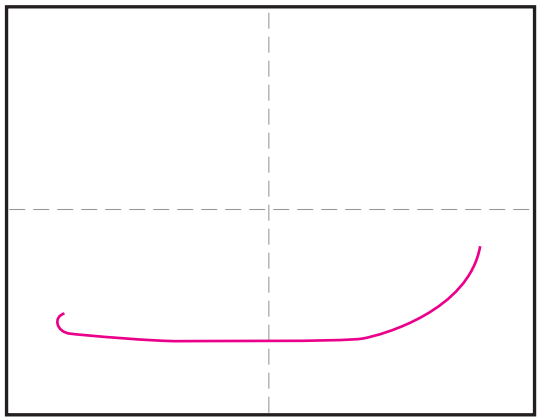
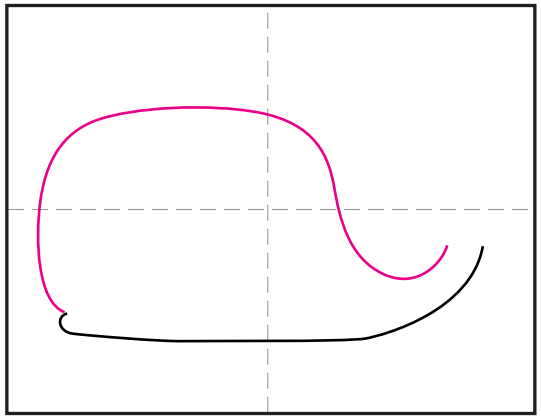
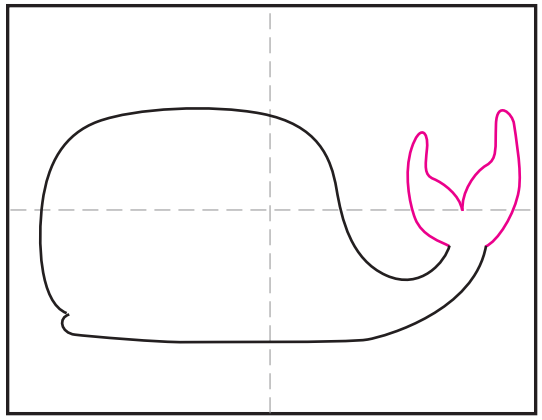
Draw a Whale



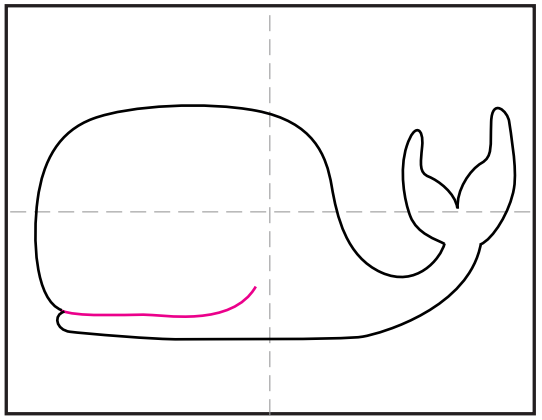
1. Start the bottom of the body as shown.



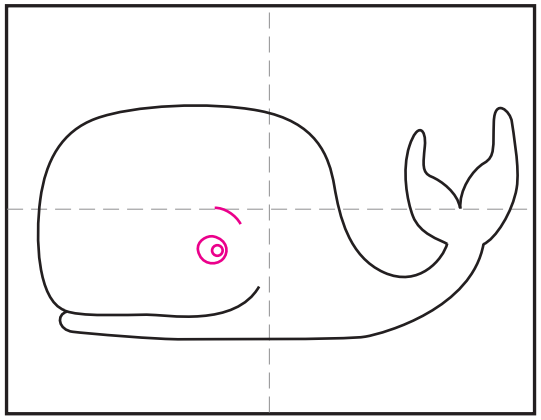
2. Add the head that narrows before the tail.



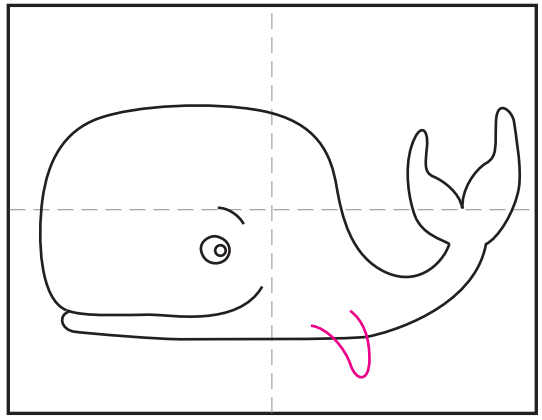
3. Draw the end of the tail.



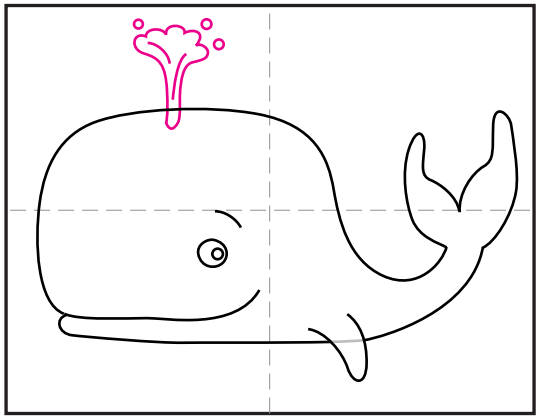
4. Add the lip line.



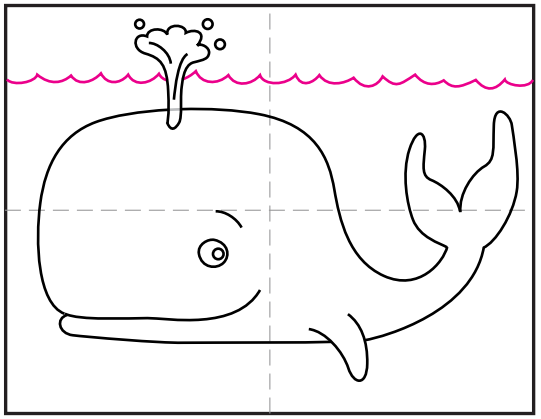
5. Draw an eye.



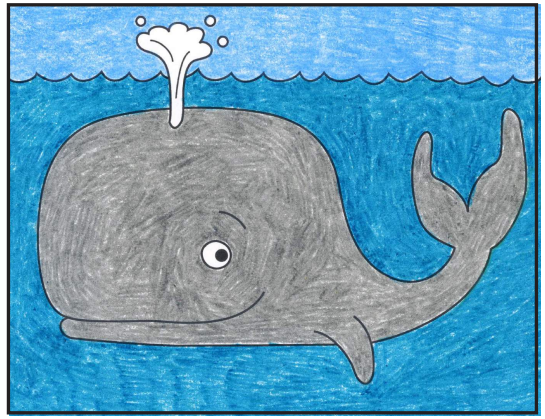
6. Add a small flipper.



7. Erase inside flipper and add spout.



8. Erase inside spout and draw a water line.



9. Trace with a marker and color.
